

Koi Kite

Place pattern on fold. Trace onto wrapping or tissue paper and cut out.
Put a thin line of glue along the edge and let dry.

Glue

Cut a piece of printer paper in half
longways, and fold in half two times to make a strip of paper.
Glue to make a ring.
Glue inside the mouth. Run a piece of thread or string through the
mouth holes and hang from a pole or tree.

Koi Kite

Cut out pattern pieces and glue together.
