

### INSTRUCTIONS FOR ASSEMBLY

**Tools and materials :** a mat-knife (an X-acto knife is excellent), a steel rule for use with the knife and a tube of white glue.

**Start by** lightly scribing with the knife all the lines to be folded (dotted lines and also the interior edges of the blue tabs).

Using the knife, cut out the pieces in order of assembly : the letters N. S. E. W. indicate the monument's geographic position ; the numbers, the order of assembly of the pieces. The roof n° 34 must be the last piece to be glued.
