FOLD BACK

FOLD BACK

1. Detach cage. Press through and discard all black strips between bars.
2. Now join floor of cage by locking tabs A and A together. Pull out sides to square off cage.
3. Detach lions, bend them slightly in the middle so that tabs at bottom may be inserted through slots in floor of cage.
4. Fold and lock tabs B and B together at top of cage.
5. Crease end flap on back of cage where indicated and close back of cage by tucking in position.

HOW IT LOOKS
WHEN SET UP.

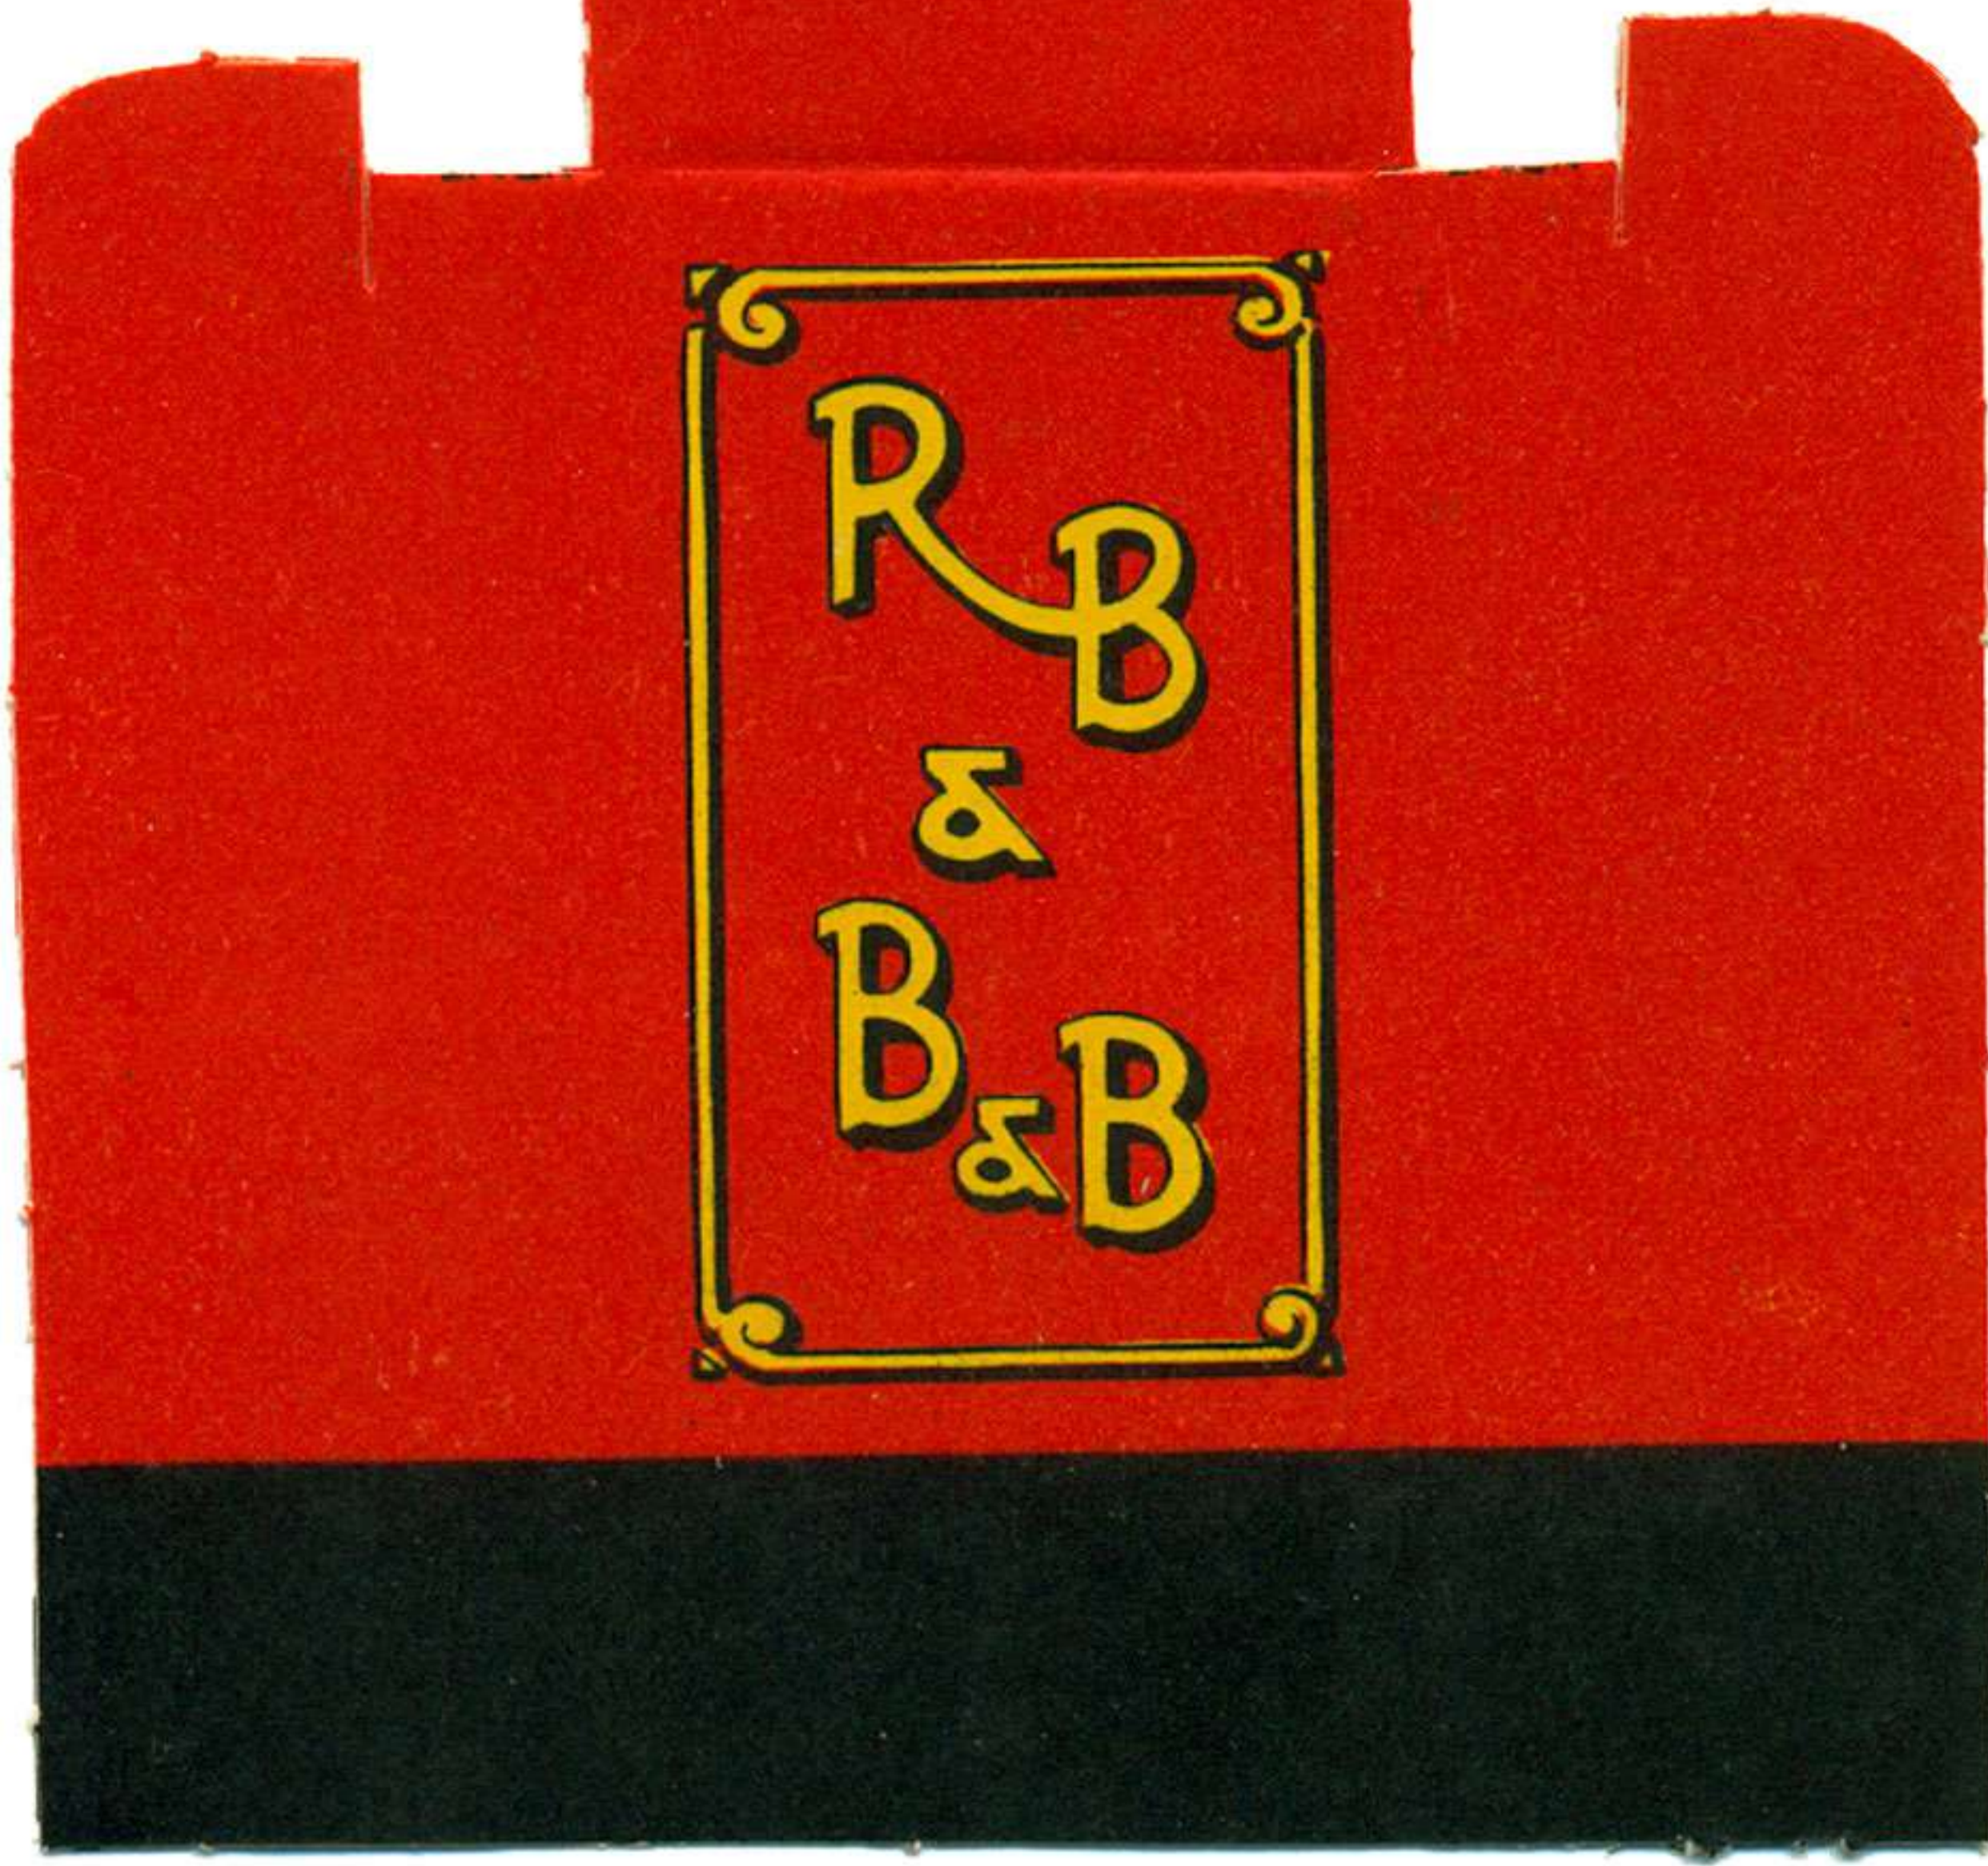

1. Detach and fold back sides along upright creases of barker's stand.
2. Fold top side flaps in like a folding box.
3. Fold creases indicated back and forward and press together as shown in diagram below to form hooks on either side.
4. Press down top of barker's stand so that hooks slip into notches in sides and hold barker in position.

HOW TO MAKE CIRCUS RINGS

DETACH STRIPS AND LOCK NOTCHES MARKED A AND B TOGETHER AS SHOWN IN SKETCH ABOVE. YOU HAVE ENOUGH STRIPS TO MAKE 3 RINGS.

Detach this section. Bend into cone shape and insert tab A into slot A . . . There's your megaphone.
